

Demographic Data

The Kansas Department of Health and Environment (KDHE) is required by federal nondiscrimination law to “collect, maintain, and ... provide the following information: ... Racial/ethnic, national origin, age, sex and disability data...” 40 C.F.R. § 7.85(a)(2). KDHE collects demographic data from the U.S. Census Bureau, using the most recent data available. Citations are available for each type of data collected.
